NEWSLETTER

TERM 3 | WEEK 1 | FRIDAY 26/07/19

To the students, parents and staff of Vale Park Primary School,

I am writing to inform you of my decision to remain in my current position of Principal Consultant until the end of 2019.

I have also made the decision that at the end of 2019, I will be taking LSL for 2020 and then retire. I have therefore stepped aside so that the Principal position can be advertised and a new Principal appointed from the beginning of 2020.

My time at Vale Park Primary has been one of the most rewarding times in my 39 years in Education. From day one I loved the school, the students and the parent community. Over the past five years, the school has grown not just in enrolments and programs it has provided but also in student achievement. I always found the students to be polite and well-mannered. They impressed me by being highly inclined learners who were engaged in their schooling. I have missed them very much.

The staff have continued to be the most dedicated and professional individuals, who work hard to achieve the best outcomes for their students. I thank them for their support and friendship and wish them all the best for the future.

To the Governing Council, I say thank you for your friendship, strong support of me and the school. The role of Principal is complex and without their support it makes the operation of the school so much harder. The Governing Council has been an excellent sounding board and provided me with advice over the journey.

I am very confident that the future growth of Vale Park will continue and I wish you all the very best. I will miss you all.

Regards

Anne Cannizzaro

DIARY DATES

Term Dates 2019

Term 1 29th Jan - 12 Apr

Term 2 29 Apr - 5 Jul

Term 3 22 Jul - 27 Sept

Term 4 14 Oct - 13 Dec

Governing Council

Tuesday 06/08

Principal Tours

Wednesday 21/08

Wednesday 25/09

NEWS & UPDATES

Woolworths Earn & Learn

Thank you to the Vale Park community for your support to collect and hand in your Woolworths Earn & Learn Stickers. Vale Park managed to collect 40,620 stickers during the promotion. This has assisted the school greatly to obtain some excellent equipment and resources for the school. We placed our order during the holidays and we will receive these at some stage in Term 4.

'The Vale Park Gems' 9 & Under Netball Team

This photo was taken after their last game of the season towards the end of last term. These little gems had a fantastic season and not only had a lot of wins but also all learned new skills and improved their current skills. The best part of this team is their incredible sportsmanship. They supported each other, made sure every player got shots at goal and even tried to let the other team get some goals when the games were a little one sided. It was a joy to coach them. I'll be coaching them next season too when they move from modified rules up to full rules in the 11 and under division.

Many Thanks

Sarah Gartland

VPPS Sunsafe Policy

Once again it's time for 'hats on'. Vale Park Primary School's Sunsafe Policy requires students to wear hats in Terms 1, 3 and 4. In the cooler months, hats will also be required if the UV level reaches 3 or above, therefore please ensure all students have a hat kept at school. Hats can be purchased from our uniform shop which is open on Monday mornings between 8:45 and 9:15am.

Vale Park Leadership Team

With Anne Cannizzaro remaining in her current position of Principal Consultant until the end of 2019 we wish to advise the Vale Park Primary School community that our current leadership team of Principal Jo Catsas-Maroulis, Deputy Principal Ann Shepherdson and Assistant Principal Kim Dickmann will remain the same for the remainder of 2019.

Nationally Consistent Collection of Data on School Students with Disability (NCCD)

All schools are required to collect information about the numbers of students that they provide adjustments to under the Disability Discrimination Act (1992) and Disability Standards of Education. This data is used as the basis for national funding.

The NCCD involves the collection of;

- The number of students receiving adjustments to enable them to participate in education on the same basis as other students
- The level of adjustment provided to students
- Student's type of disability if known

Under the model the definition of disability is broad and includes learning difficulties, health and mental health conditions.

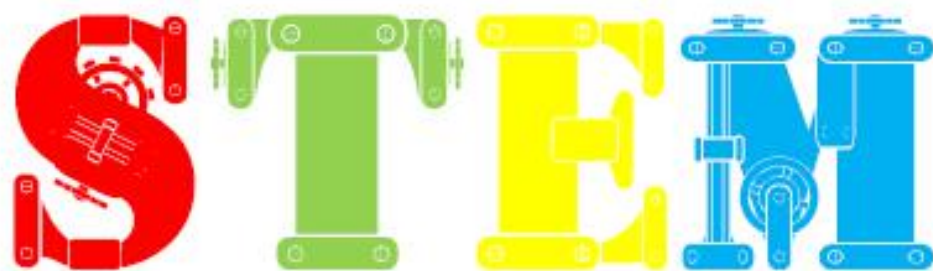

If your child is identified for inclusion in the Collection, the required information will be included in this year's data collection.

If you have any questions about the data collection, please contact Kim Dickmann on 8261 3733. Further information can be found at:

<http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability>

Showcase

Friday 16th August

1:30pm – 3:00pm

Find out more about STEM learning at Vale Park Primary School

Visit your child's classroom to see STEM in action

Stay for afternoon tea and a book expo

We will send further details in coming weeks

Room 4 did some incredible learning in Term 2. These were just some of the highlights.

Learning about the correct process of composting (nitrogen and carbon products) and the role that worms play in the garden. In the kitchen we made some amazing cuisines, including everyone's favourite, pizza!

In writing Room 4 loved making another class book titled 'Persuasive Pieces'. Students also learned how to write an accurate and thorough procedure. They tested their skills by creating an object using playdough and asking a buddy to recreate what they made by following their written procedure.

Students took part in a 'trust walk' as part of our health focus on building positive relationships and keeping safe. We got to blindfold a friend and use coding to guide them to a certain position. Great discussions followed, including what it felt like to put trust in someone/someone trusting you, the connection between trust and respect and discussing real-life examples of where trust is used (doctors, pilots, teachers, parents etc.).

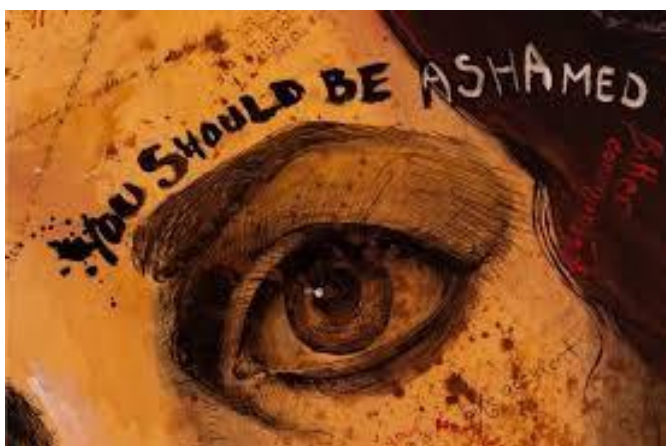

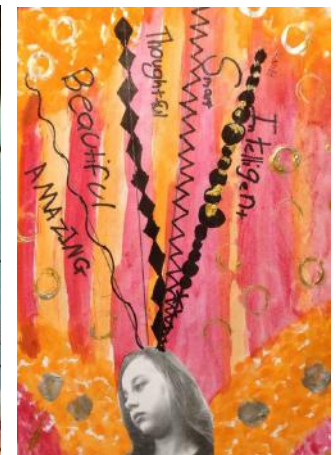

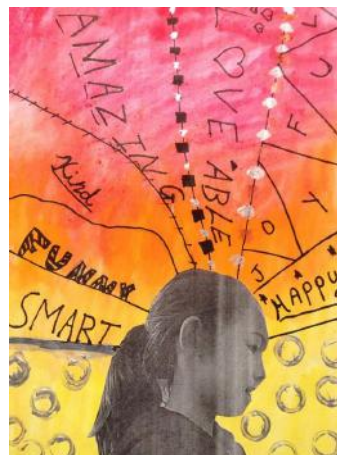

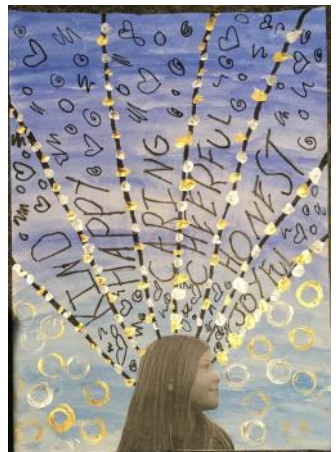

ROOM 20

Self Esteem Artwork

We viewed an artwork called 'Portraits of myself and Lola Montes with things said about us by our contemporaries' by Molly Crabapple. This led to discussion about social media. We came up with strategies for preventing and dealing with unkind comments published online. We identified positive self esteem as an important aspect of our own health. In our artwork we celebrate our strengths and positive personal qualities.

FATHER'S DAY STALL

THE FUNDRAISING COMMITTEE IS HOLDING A FATHER'S DAY
STALL FOR THE STUDENTS TO PURCHASE A GIFT FOR THE
SPECIAL MEN IN THEIR LIVES.

EACH CLASS WILL BE ALLOCATED A SHOPPING TIME ON

THURSDAY 29TH AUGUST

OR

FRIDAY 30TH AUGUST

GIFTS AND CARDS ARE
AVAILABLE FROM \$1 TO \$8

WINTER GARDENING

Classes have all been given their own compost bins to collect their fruit scraps for composting to reduce waste!

Winter greens Harvest

Vale Park Quince paste was popular at our Term 2 Harvest Stall.

The orchard trees have had their winter prune.

Year 4s were mushroom farming in their cupboard, Lisa used them in some delicious Frittatas.

The Garden classroom has had a window and lights put in which is very exciting!!

Room 7 planted garlic in Garden 2.

The receptions were exploring what shapes they can find in Garden 1.

Vale Park had some junior Artists in residence doing Botanical drawings.

LIBRARY NEWS

Congratulations to the students who have participated in Moonhack.

This annual event aims to get kids around the world coding together and in the process break a world record.

The world record attempt occurs on the 20th of July (the day Apollo 11 landed on the moon) but the challenge runs for the week of July 20th - July 26th.

In 2017 the moonhack challenge had 28,000 kids coding together. In 2018, it was 35,000. Over 200 of our students have created projects using Scratch, Python and Micro:Bits and helped to break the 40,000 students coding barrier.

Well done to our World Record Breakers and remember, coding isn't just for experts – if you've never coded before, Moonhack is a great place to start!!

More information can be found here: <https://moonhack.com/>

MOONHACK 2019

Scholastic Book Club

Book Club catalogues are now available.

Orders are due **online** through the LOOP option

by 12 noon: Friday

9th August

Late orders will not be accepted

Please note: **ONLINE ONLY**
